

## Executive Summary

[\[Download Photo\]](#)

### **Ahmed M. Amer**

CEO, EMURGO Labs

[LinkedIn Profile](#)

Ahmed is a seasoned investor with global expertise across the US, GCC, Africa, Europe and MENA regions. Having managed over USD 200 million in capital, Ahmed also strategically advises family offices, financial institutions, governments and DFIs, and Fortune 500s including the IFC, JP Morgan Chase, UNICEF, Saudi's SAMA and Morocco's Ministère de l'Industrie. Since 2015, Ahmed has been involved in frontier tech investing including blockchain, leading SaaS and BaaS implementations in trade, payments, mobility and fintech. Currently, Ahmed heads EMURGO Africa's USD 100M fund-of-funds, focusing on creating real world use cases for blockchain adoption in web2 and scaling web3 investments cross-borders.
